JERRY MILLER SHOES

For every walk of life

*"Thank you
Jerry Miller Shoes."*

**BRAND NEW
COLLECTION!**

*Custom-molded shoes
for all walks of life*

**ALL NEW BEAUTIFUL STYLES!
INCREDIBLY COMFORTABLE FABRICS!
THE MOST DURABLE MATERIALS!**

*These are the custom-molded shoes
that make life worth walking about!*

- ❑ CAD/CAM techniques utilized throughout the manufacturing process – for precise fit, quality and workmanship
- ❑ This is the shoe built from the inside out, with its own custom interior that features our exclusive weight-bearing system to protect sensitive areas for maximum comfort and accommodation
- ❑ Brand new stretchable, breathable *Medi-Flex* fabric – the standard for exceptional fit, comfort, function and flexibility. Accommodates hammertoes, bunions, edema and hypersensitive feet
- ❑ *Exclusive* sports lining for maximum comfort –available either as a standard feature or option on most new shoes*
- ❑ Technical and professional support every step of the way, with direct pedorthic supervision to assist in the dispensing process
